

# PORTABLE SCREEN ROADWARRIOR

FLOOR OR TRIPOD MODELS FEATURING QUICK, EASY SET-UP, DURABILITY

■ The rugged portable RoadWarrior projection screen features pneumatic cylinders for easy set-up. Simply put it on the floor or table, open the case, and lift with one finger to the desired height. This lightweight screen is self-contained in a tubular aluminum case with built-in carrying handle making it easy to carry.

Designed to withstand the rigors of travel and repeated use.

## FEATURES

- NTSC, HDTV and 16:10 formats have image area framed with black on all four sides.
- Includes ¾" (19 mm) black borders and 30" (76 cm) black "rise" to clear a standard tabletop.
- Self-contained extruded aluminum case with black powder coat finish and built-in handle.
- Pneumatic cylinders hold screen securely at desired height.
- **WARRANTY:** One year against defects in materials and workmanship.

## OPTIONS

- Optional flexible, lightweight padded carrying case with zipper and removable heavy-duty nylon strap.
- **Viewing Surfaces:** OptiView™ family.
